

Answers For Winningham Critical Thinking Case Studies

Develop your critical thinking and clinical reasoning skills with 150 realistic case studies from the four major clinical practice areas: medical-surgical, pediatric, maternity, and psychiatric/mental health nursing. William Marling's provocative work analyzes—in specific terms—the impacts of American technology and culture on foreign societies. Marling answers his own question—how "American" is globalization?—with two seemingly contradictory answers: "less than you think" and "more than you know."
